

# OPERATION HER ONLY CHANCE

Was Cured by Lydia E. Pinkham's Vegetable Compound

Adrian, Ga.—"I suffered untold misery from female weakness and disease, and I could not stand more than a minute at a time. My doctor said an operation was the only chance I had, and I dreaded it almost as much as death. One day I was reading how other women had been cured by Lydia E. Pinkham's Vegetable Compound, and decided to try it. Before I had taken one bottle I was better, and now I am completely cured."—LENA V. HENRY, Route No. 5, Adrian, Ga.

Why will women take chances with an operation or drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound?

For thirty years it has been the standard remedy for female ills, and has cured thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, indigestion, and nervous prostration.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Mrs. Pinkham at Lynn, Mass., for advice. Your letter will be absolutely confidential, and the advice free.

## Saturday Night Hearing in Westerly

Rosaria Cristina Fined \$50 and Costs for Violating Liquor Laws—Rt. Rev. Matthew Harkins Confirms Large Class—Firemen's Parade—Woodmen Observe Memorial Day—Courtland P. Chapman Brings Suit Against Town Treasurer.

The first meeting of the new town council will be held today (Monday) and will probably organize by the election of William L. Clark as president. Judge Edward M. Burke will be re-elected judge of probate, and Herbert P. Clarke town sergeant, as there are no candidates in opposition.

The new town council is composed of the same members as the last board with the single exception of Dr. Scanlon, who declined a renomination and was succeeded by Maurice W. Flynn. There is a lively contest for the office of town solicitor, which has been held for the past two years by Everett A. Kingsley, who succeeded Harry R. Agard, who held the office for the two previous years. Both these attorneys have been making active canvases for the place, not only among the seven members of the council, but with the friends of the members in the hope of exerting influence in their behalf.

It was hinted Sunday that there was a dark horse one of the lawyers recently admitted to the bar. There are four new lawyers, Samuel H. Davis, Henry L. Burdick, Charles J. Dutton and Clarence E. Roche. Therefore at this stage of the game it is impossible to pick the winner.

While the rain storm of Saturday tended materially to decrease the number of spectators that view the annual parade of the Westerly fire department, it had no noticeable effect on the brave fire ladders who turned out in full ranks Saturday afternoon.

The procession was formed in Broad street shortly after 2 o'clock. It was headed by a platoon of police under Chief Brandfield, the Westerly band and fire police. Then came Chief Cottrell and associates on the board of engineers, Rhode Island Steam Fire Engine company, No. 1, Alert Hook and Ladder company, No. 2, in the order named.

The firemen made a fine appearance and demonstrated that their efficiency was not strictly confined to fighting fires. The parade was dismissed in Dixon square after a review to the board of engineers, the officers of the fire department and the town councilmen. Then followed festivities at the several company quarters, where the firemen and their guests enjoyed themselves.

The visiting firemen included George H. Powers, who has been treasurer of Niagara company of New London for forty-four years and is the oldest active fireman in Connecticut, and Charles H. Rose, first assistant engineer of the New London fire department; also John H. Peabody, a member of the Providence fire department and a former resident of Westerly.

The state board of agriculture met at the statehouse Friday and organized for the year by electing a secretary and other officers. Various matters in connection with the work of the board were discussed at length during the session.

Gov. Aram J. Pothier, by virtue of his office, is chairman of the board. Secretary of State Charles P. Bennett and Lieut. Gov. Arthur W. Pennie are also ex-officio members. In the absence of both the governor and lieutenant governor, the secretary of State Bennett presided.

The following officers were elected: John J. Dunn of Westerly, secretary; William Williams of Bristol, Isaac L. Sherman of Newport and Thomas G. Mathewson of East Greenwich, executive committee; Francis F. Cole, Providence county; Joseph Manchester, Kent county; William Williams, Bristol county; Philip A. Money and Tripart D. Babcock, Westerly; Washington county; William J. Boyd and George T. Howard, Newport county; cattle commissioners; Dr. A. E. Stone, charge of entomological work.

W. D. Marks of North Haven, representing the state board of education, will be at the Pawcatuck high school today (Monday) for the purpose of judging of educational qualifications for leaving school to be employed. He comes for the special purpose of considering the application of Anna Tudisco, but will give consideration to other applications.

Rosaria Cristina, who conducts a fruit store in West Broad street, next door to the People's mission and the office of Deputy Sheriff Casey, has pleaded guilty to the sale of intoxicating liquors in the no license town of Stonington, in the village of Pawcatuck, Saturday evening. Deputy Sheriff Casey, with search warrant, and assisted by Constables Albion Tattersall and Albert D. Hill, raided the premises of Cristina and found and seized a half barrel partly filled with ale, two quarts of whiskey, two quarts of orange Hemmer wine, one quart of Italian bitter, one barrel of port wine and one serving plait containing about a quart of ale.

Cristina was arrested and arraigned before Judge Albert R. Stillman at 10:30 Saturday night. He pleaded guilty to the sale of intoxicating liquors and was fined \$50 and costs of \$9.01, which he paid and was discharged.

Cristina took advantage of Deputy Sheriff Casey's absence from his office in the early morning to get in his supply of liquor. The officer supplied the liquor to C. Roche. Thereafter the liquor was sold in the place and notified Cristina of his suspicions, but no heed was taken and the seizure, arrest and sentence resulted.

Bishop Matthew Harkins of the diocese of Providence administered the sacrament of confirmation to a large class in the Church of the Immaculate Conception Sunday morning, the church containing a large congregation to witness the ceremony.

Rev. Cunningham of St. Michael's church attended the right reverend bishop and John W. Sweeney were sponsors for the boys and girls. At the high mass that followed Bishop Harkins read the gospel of the day and delivered the sermon.

The Ladies' Aid society of the First Baptist church has elected these officers: Mrs. Albert T. Kennel, president; Mrs. Thomas W. Coy, Mrs. J. W. Berry, Mrs. J. A. Peabody, Mrs. J. H. Agier, vice presidents; Miss Susan P. Coy, secretary and treasurer; Miss Annie L. Edmond, collector; Mrs. Merton T. Webster, chairman entertainment committee.

To meet the expenditures called for by their estimates, a tax of 10 mills on the last City list will be required, said tax being \$12,500.00.

In addition to the above estimated expenses for ordinary operations, the Committee on Finance have been requested by petition, committee reports and by the Board of Finance to make a special estimate of the cost of the following improvements and expenditures prayed for, to wit:

Celebration of the 250th Anniversary of the Town, 12th Anniversary of the incorporation of the City. \$2,000.00  
Salaries and expenses of Milk Inspector. 1,000.00  
Public comfort accommodations. 1,000.00

For widening West Main street. 8,000.00  
For City street cleaning. 2,500.00  
For new steam fire engine. 2,500.00  
**Total** \$15,100.00

The sum of these estimates is equal to about 1 1/2 mills on the grand list. The Committee recommend that the warrant for the next annual City Meeting include the last named estimates and a call for action thereon.

At a City Meeting held March 26, 1909, the Court of Common Council authorized the adoption of a resolution that the sum of \$20,000 be used for the expenses of erecting a new dam and appearance at Meadow Brook and acquiring lands, rights and other property necessary for conservation of the water supply of the City.

Adopted at said meeting did not provide the method of raising the sums necessary for such expenditure. Your Committee recommend that inasmuch as said appropriation is made for a permanent improvement, in addition to the water supply, the expense therefor should not be included in the ordinary expenses of the current year, and your Committee recommend that the warrant for the next annual City Meeting shall include a proposition authorizing the adoption of a resolution that the sum of \$20,000 be used for the expenses of erecting a new dam and appearance at Meadow Brook and acquiring lands, rights and other property necessary for conservation of the water supply of the City.

Under an act of the General Assembly approved June 12, 1897, the City Commissioners, the Mayor of the City and the Selectmen of the Town of Norwich were constituted a Board for the erection of the addition to the Court House in Norwich and were authorized to borrow such sum as might be necessary for the erection of such addition and to execute notes for the same, and that the money realized therefrom be appropriated for the fitting up of the Court House.

Your Committee further recommend that there be included in the warrant of the next annual City Meeting a proposition to authorize the City Commissioners to execute notes for the same, and that the money realized therefrom be appropriated for the fitting up of the Court House.

Your Committee further recommend that the City Commissioners be authorized to execute notes for the same, and that the money realized therefrom be appropriated for the fitting up of the Court House.

Resolved, That the report and estimates of the Committee on Finance be accepted and approved; that the Clerk cause the same to be published as required by the statute; that the Mayor or in his absence the Selectmen be and they are authorized to execute notes for the same, and that the money realized therefrom be appropriated for the fitting up of the Court House.
